

WHY ADVERTISE ON OUR DIGITAL MONITORS?

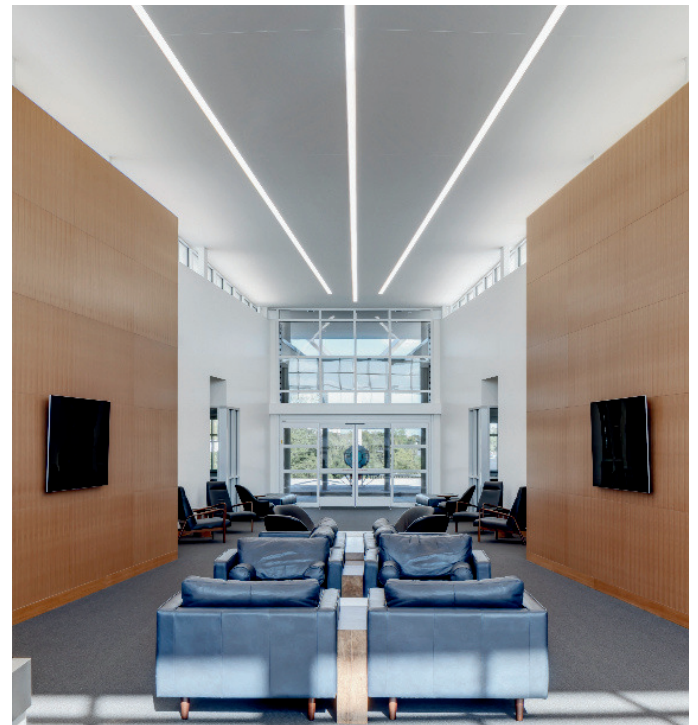

We have over 100,000 customers annually, ensuring your brand and identity are front and center of locals traveling and those visiting the BCS area.

We offer consulting to keep your message fresh while on display. Creative asset can be updated or changed quickly during time of contract.

Engage your customer base and increase brand awareness.

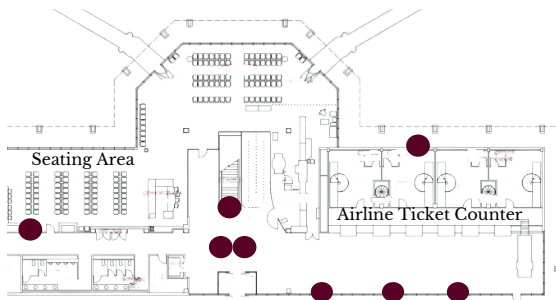

Showcase your creative asset on Easterwood Airport's nine digital monitors and one digital monitor at Astin Aviation, all on Ultra High Definition screens.

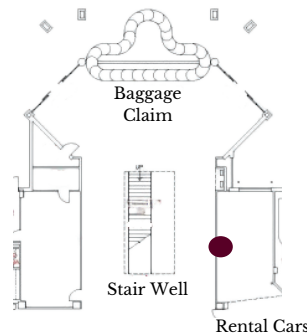

DIGITAL MONITORS: LOCATION & INFORMATION
