

EASTERWOOD AIRPORT & ASTIN AVIATION HELPING YOUR BRAND SOAR

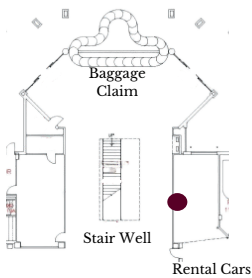

UPPER LEVEL

- 8 horizontal and vertical digital monitors on the upper level
- 1 horizontal digital monitor on the lower level
- 1 horizontal digital monitor in the lobby seating area of Astin Aviation

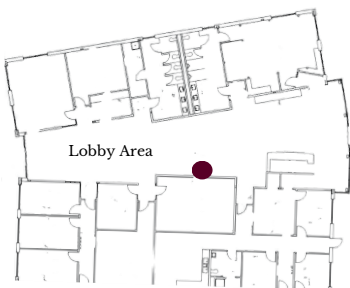

LOWER LEVEL

- We have over 100,000 customers annually
- We offer consulting to keep your message fresh while it's on display
- Brand or event would be front and center of community members who are traveling and those visiting the BCS area

ASTIN AVIATION

- All vertical creative assets must be 1080px x 1920px
- All horizontal creative assets must be 1920px x 1080px
- Perfect for static images and 15-30 second video files without sound
